WORK HISTORY

FRONT-END WEB DEVELOPER 03/2021 to Current
Veralogica GmbH, Frankfurt, Germany (Remote)
• Played a key role in the digitalization of a top-tier financial institution's customer experience, specifically on loans, funds, and cash management, resulting in a faster and more efficient process for customers from Europe and Asia to access their financial products and services.
• Collaborated closely with cross-functional teams in an Agile-driven environment, leveraging effective project management skills to ensure timely delivery of high-quality work while optimizing the use of available resources.
• Delivered exceptional customer service by visiting clients' offices to understand their requirements and provide knowledgeable and timely support, building strong relationships that resulted in high levels of client satisfaction.

SUPPORT ANALYST 08/2015 to 03/2021
T-Systems do Brasil Ltda, Blumenau, Brazil (Hybrid)
• Provided technical support to Daimler GmbH, a leading automotive company, utilizing specialized tools developed by IBM. Demonstrated expertise in identifying and resolving issues, analyzing information, and providing solutions to problems using multiple technologies.
• Improved efficiency and productivity through quickly learning and applying new skills, including receiving training directly at Daimler's headquarters in Stuttgart, Germany.

GENERAL SERVICES 12/2017 to 03/2018
Heavenly Ski Resort, Vail Resorts Inc, South Lake Tahoe, United States (On-site)
• Developed interpersonal and language skills while working in a seasonal position, interacting with diverse team members and guests in an English-speaking environment.
